12 Article 1 of Chapter 16 of Title 50 of the Official Code of Georgia Annotated, relating to
13 general provisions relative to public property, is amended by revising subsection (b) of Code
14 Section 50-16-18, relating to writing off small amounts due to the state, as follows:

15 "(b)(1) All state agencies and departments, in order to preserve public funds, shall be
16 authorized to develop appropriate standards that comply with the policies prescribed by
17 the state accounting officer which will provide a mechanism to consider administratively
18 discharging any obligation or charge in favor of such agency or department when such
19 obligation or charge is \$100.00 or any lesser amount unless the agency or department
20 belongs to the Board of Regents of the University System of Georgia or the Technical
21 College System of Georgia in which case the obligation or charge in favor of the
22 institution under the Board of Regents of the University System of Georgia or the
23 institution of the Technical College System of Georgia may be \$3,000.00 or any lesser
24 amount. This procedure shall not be available to such agency or department in those
25 instances where the obligor has more than one such debt or obligation in any given fiscal
26 year, and this provision shall be construed in favor of the state agency or department so

as not to alter the unquestioned ability of such state agency or department to pursue any debt, obligation, or claim in any amount whatsoever. In those instances where a debt or obligation of \$100.00 or less, or \$3,000.00 or less for the institutions of the Board of Regents of the University System of Georgia or the Technical College System of Georgia, has been deemed to be uncollectable, the proper individual making such determination shall transmit a recapitulation of the efforts made to collect the debt together with all other appropriate information, which shall include a reasonable estimate of the cost to pursue administratively or judicially the account, together with a recommendation to the commissioner of such state agency or department. In those instances where the commissioner makes a determination that further collection efforts would be detrimental to the public's financial interest, a certificate reflecting this determination shall be executed, and this certificate shall serve as the authority to remove such uncollectable accounts from the financial records of such state agency or department. Such certificates shall be forwarded to the state accounting officer in a manner and at such times as are reflected in the standards developed by the state accounting officer and the state agency or department. This paragraph shall stand repealed and reserved effective July 1, ~~2010~~ 2013.

(2) On and after July 1, ~~2010~~ 2013, all state agencies and departments, in order to preserve public funds, shall be authorized to develop appropriate standards that comply with the policies prescribed by the state accounting officer which will provide a mechanism to consider administratively discharging any obligation or charge in favor of such agency or department when such obligation or charge is \$100.00 or any lesser amount. This procedure shall not be available to such agency or department in those instances where the obligor has more than one such debt or obligation in any given fiscal year, and this provision shall be construed in favor of the state agency or department so as not to alter the unquestioned ability of such state agency or department to pursue any debt, obligation, or claim in any amount whatsoever. In those instances where a debt or obligation of \$100.00 or less has been deemed to be uncollectable, the proper individual making such determination shall transmit a recapitulation of the efforts made to collect the debt together with all other appropriate information, which shall include a reasonable estimate of the cost to pursue administratively or judicially the account, together with a recommendation to the commissioner of such state agency or department. In those instances where the commissioner makes a determination that further collection efforts would be detrimental to the public's financial interest, a certificate reflecting this determination shall be executed, and this certificate shall serve as the authority to remove such uncollectable accounts from the financial records of such state agency or department. Such certificates shall be forwarded to the state accounting officer in a
